Subject: Univar Portland (NW Yeon) - Final SWSCM Work Plan

Laura,

The Final Stormwater Source Control Measure Work Plan for the Univar Portland (NW Yeon) site is attached to this email for your review. This Final SWSCM Work Plan incorporates comments from EPA received on the Draft SWSCM Work Plan.

Please let us know if you have any questions. With your approval we will move forward with implementing the work.

Thank you,

Dylan Stankus, PE
Senior Engineer
